RUDDING PARK ACCESSIBILITY GUIDE

Access our award-winning hospitality

Rudding Park understands every guest has different needs and we are therefore committed to ensuring our facilities are accessible for all.

Winner of Happy Holidays Award 2013
Disabled Motoring UK

LOCATION

We are located 3 miles south of Harrogate in a rural location within easy reach of both York and Leeds and the A1(M) motorway. The nearest main railway station is Harrogate and Leeds/Bradford Airport is a 30 minute drive.

ARRIVAL & CAR PARKING

We offer ample 24 hour free parking. Blue badge parking spaces are adjacent to Hotel Reception. Valet parking is also available. We also have our own Helipad.

TAXIS

An accessible taxi service is available from Blueline Taxis who have many vehicles with wheelchair accessibility. 01423 530830 or book online at www.bluelinetaxis.co.uk

GENERAL ACCESSIBLE FEATURES

All public areas have ground level access. Lifts are available with audio/visual displays to access the facilities and rooms on other levels. There is an abundance of natural light within the Conference and Banqueting rooms and other areas are well lit with ample spacing between furniture.

Wheelchair accessible/adapted guest toilets are available on the ground floor in both the Restaurant and Conference and Banqueting areas.

Our signage is consistent with clear capital letters throughout.

We have two manual wheelchairs available within the Hotel for guest use. Mobility scooters can also be charged – please ask at Reception.

RUDDING PARK

— HARROGATE —

ENTRANCE & RECEPTION

The main entrance to Hotel Reception is wheelchair accessible at ground level and the automatic sliding doors ensure easy access for wheelchair users. A portable induction loop is available if required. Hotel Reception is supervised 24 hours a day.

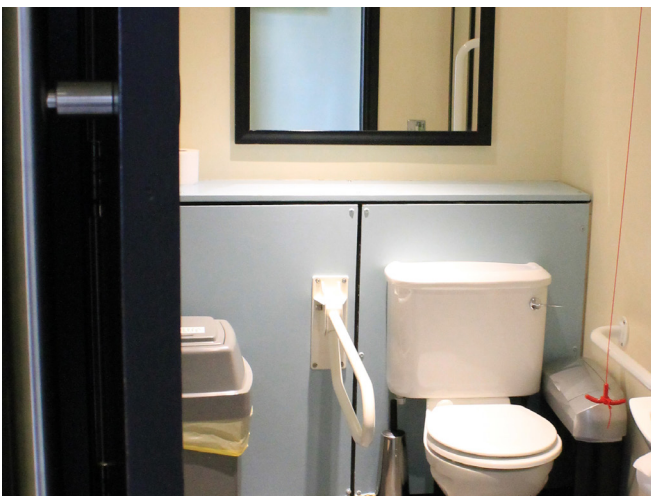

ACCESSIBLE BEDROOMS

38 of our bedrooms are on the ground floor with level access throughout.

The Follifoot Wing was designed and built with access in mind and has one fully accessible double/twin bedroom with adjoining en suite wet room.

There are two additional adapted/accessible double bedrooms in the Follifoot Wing. The rooms in the Ribston Wing have two adapted/accessible double bedrooms. These five rooms all have interconnecting doors to adjoining double non-adapted bedrooms. All rooms have plentiful light from large windows.

CLOCKTOWER RESTAURANT

Clocktower Restaurant is located on ground level and is easily accessible from the car park.

The outside terrace has level access from the Restaurant and upper levels can be reached by gentle sloping stone flagged ramps.

CONFERENCE & MEETING ROOMS

Located in the Regency House, our conference facilities are located over two levels with lift access to the first floor.

HARROGATE

RUDDING PARK SPA AND HORTO

We offer ample 24 hour free parking. It is possible to drop off at spa reception. Blue badge parking is available.

There is a level pathway leading to the entrance.

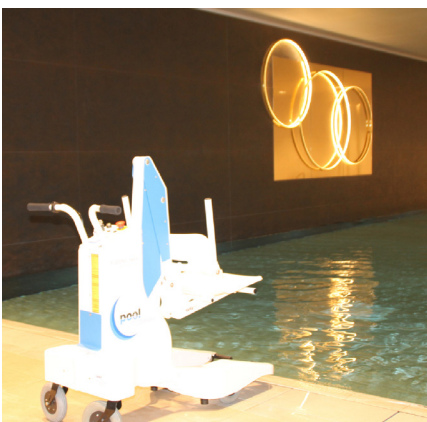

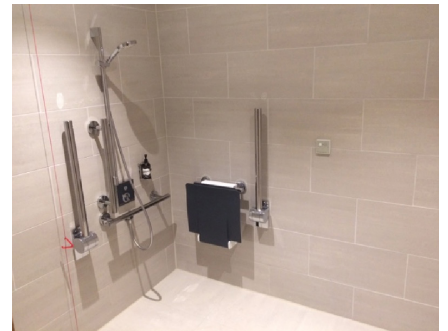

The main entrance to the spa and Horto is wheelchair accessible at ground level and the automatic sliding doors ensure easy access for wheelchair users.

There are lifts to all floors.

A lift is available for hotel residents to access The Spa and Horto.

The Spa has a number of accessible/adapted changing facilities

A hoist is available for ease of access to the indoor swimming pool and hydrotherapy pool

Residents' and Spa Members' Gym of the Follifoot Wing
Located on the lower ground floor, a personal trainer can be arranged in advance.

RUDDING PARK

HARROGATE

PRIVATE CINEMA

Located on the lower ground floor the 14 seat cinema is fully accessible with 5 of the seats having level access and additional space at the front for wheelchairs.

GOLF

Both the Golf Clubhouse and Golf Academy have level access. There are also accessible changing and toilet facilities at both sites.

GROUNDS AND GARDENS

Our grounds are gently undulating with smooth footpaths for ease of access through the 300 acres of landscaped gardens and woodland.

STAFF TRAINING

Rudding Park extends a warm welcome to all guests with our reputation for outstanding service. Many of our guest-facing staff have undergone disability and sensory awareness training and we regularly ensure this training is kept up to date.

Please be assured, assistance is always available from any of our friendly staff.

This Accessibility Guide aims to accurately describe the facilities and services we offer all our guests and visitors.

Please see the technical specifications for more information.
