Yorkshire Food Heroes

Clocktower's Food Heroes concept brings the issue of food provenance to the fore.

Drawing inspiration from local producers, Clocktower's Chefs create a menu with many dishes featuring a principal ingredient sourced in Yorkshire within a 75 mile radius of Ridding Park. These dishes are annotated with the food miles travelled.

November's Food Hero is Yorkshire Game – 38 miles. Located in Richmond, North Yorkshire this is the largest distributor of game in England. Richard Townsend employs 30 full time staff and 30 part time staff in the high season.
