

IZABELA MAZIK

ASSISTANT HOUSEKEEPER

Joined Rudding Park in July 2014

Why did you choose to work at Rudding Park?

I heard positive feedback about Rudding Park and decided to apply here. I was scared when I came here because I didn't know anyone but people here are very nice and I've acclimatised very quickly.

What have you done during your time with us?

I've met lot of great people and I've been promoted to Assistant Housekeeper. I feel more confident now and I've noticed an improvement in my English!

What have you enjoyed most?

Seeing guest satisfaction from my work. I like to speak with the guests and I'm happy when they are happy, which keeps me motivated.

What have you learnt about yourself?

I know that I can. I'm braver than before. I know if anything happens to me or something does not succeed, the world will not collapse and I should try again.

What next for you?

I'm still waiting for a proposition! I want to grow and learn even more and never stop. I like challenges and new responsibilities.
