Rudding Park is one of the most beautiful venues in North Yorkshire, set amongst 300 acres of landscaped gardens and woodland.

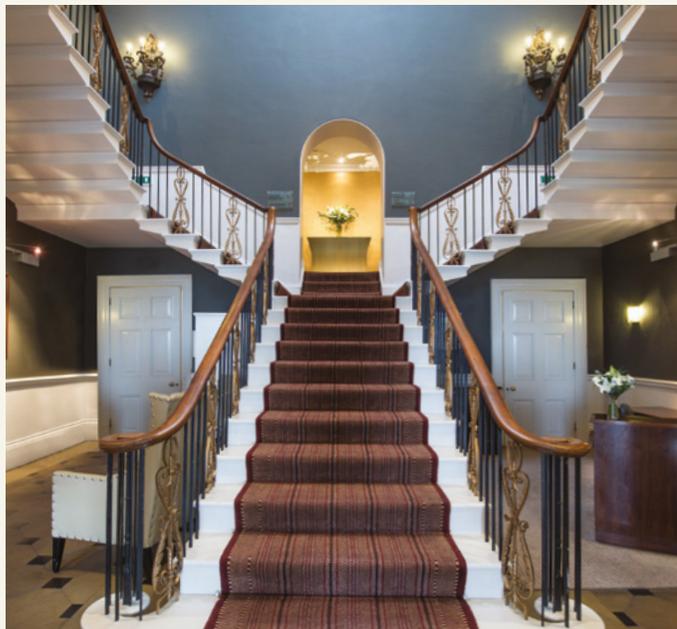

A privately owned luxury 90 bedroom hotel, spa & golf venue, its extensive facilities and outstanding reputation for service make it a natural choice for a wide range of prestigious events.

Three miles south of the beautiful spa town of Harrogate, excellent road, train and air networks mean it is accessible from all areas of the country and the vibrant city of Leeds and historic York are within easy reach.

ELEGANT and IMPOSING

Grade I listed Rudding House was converted in 1987 into a beautiful venue blending contemporary design with traditional touches. Adjacent to the House is the 19th century Chapel with its beautiful stone carvings and striking stained glass windows.

A warm welcome awaits all guests, whether attending a small dinner party, a large banquet, an informal meeting to a full scale conference or a spectacular party with a marquee in the gardens.

CARE PASSION QUALITY

We genuinely care and are passionate about providing the highest quality service, food and wine.

A variety of menus have been created to suit all occasions, however it is also possible to devise a bespoke menu specifically for your event.

Our team of chefs regularly visit food suppliers to sample the quality of ingredients and inspire recipe ideas. Whenever possible all ingredients are locally sourced. An extensive wine list is also available to complement your menu.

Your event co-ordinator will take time to understand your requirements so they can best advise on all elements of your event.
