Tee times for all club competitions will be divided between peak and off peak periods, allowing members to compete in up to eight qualifying competitions every month. Off peak members will be able to play at peak times if representing the club in an official club match against another golf club and will also be entitled to play in the Season Opener and Captains Day competitions. If an off peak member wishes to play with a peak member, they will pay an applicable guest green fee.

All member benefits are subject to terms and conditions.
